Mr. James E. Clayton
House Committee
The Graduate College
Princeton, New Jersey

Dear Mr. Clayton:

Upon my recent return from Europe, I found your letter of 27 September 1955. I have not forgotten the Graduate College Forum and should like very much to meet with you, but just at the moment, it is hard to fix a date, in view of other commitments. As I indicated in my letter of 13 October 1953, I should like to try to combine this with other business that brought me to the Princeton neighborhood, and I shall let you know if and when this is the case.

Faithfully yours,

Allen W. Dulles
